ACT Course for June 12th Test

This letter contains the schedule for our SAT Subject Test, AP and ACT review courses for the May/June 2010 exams. **All classes will be held at Greenwich Country Day School (GCDS) unless otherwise noted.** Our classes fill up quickly on a first come, first serve basis. Spaces are reserved upon receipt of the registration sheet and check. Please select classes that you know you will be able to attend. Given the large number of interested students, it will be difficult for you to make up classes on alternate dates. We have included our teachers' contact information if you have any questions during the course of the class.

What the Classes Will Accomplish:

1. You will learn the format of the tests. You will see sample tests and learn the types of questions that will help you succeed.
2. You will learn strategies to achieve your target score. You will learn how many questions, if any, you can leave out to reach your goal. You will learn how to budget your time. These strategies, of course, are similar to those you learned for the SAT.
3. You will be taught specific content in each subject area.
4. You will take a practice exam based on the actual questions on the test so that you can determine a timing strategy and can get a feel for your strengths and weaknesses. You will analyze the results of these exams.
5. If you are already strong in the subject, this review might be all you need to do very well on the exam in question.

Other News...

Next fall, we will offer SAT, ACT, SAT Subject Test and PSAT classes at the following locations:

Greenwich, CT: Greenwich Country Day School (GCDS), Brunswick School

Rye, NY: School of the Holy Child

New Canaan, CT: New Canaan High School

Westport, CT: Greens Farms Academy

This summer, we will offer private tutoring and a one-week intensive SAT course for boarding school students.

If you have any questions, please call Lynn or Bud at 203-352-3500
